

# Georgia Region Alumni Association

We have been working to reestablish an alumni chapter for the Georgia region, and are now ready to proceed with induction of the founding members. Alumni membership will be \$20 annually. The money from membership and any fund raising will be used to support chapters in the region. Phi Theta Kappa requires at least 15 founding members. They also suggest that 10 of the founding members have been alumni for 5+ years to demonstrate a continuing commitment to the organization. We will also need to select a slate of officers from the founding member.

To qualify as alumni you either needs to have graduated or no longer be attending a two year college and be in good standing (3.0 or higher). If you are interested or know someone that would be interested, please have them contact Devin Arnold ([darnold@athenstech.edu](mailto:darnold@athenstech.edu)) with the following information.

## **Each member please submit the following information:**

First Name  
Middle Name:  
Last Name  
Two-Year Chapter and Date of Induction  
Name at time of Induction (if different from above)  
Mailing Address  
City, State Zip Code  
Telephone Number  
E-Mail Address

**Also include if you would like to become an officer and for which position you wish to run.**

### **Officer Positions:**

President  
Vice President  
Secretary  
Treasurer  
Parliamentarian
